Crisis Outreach and Support Team

**24 Hours / 7 Days Per Week**  
**CRISIS LINE: 1-866-550-5205**

COAST provides services to people in the Niagara Region who are in crisis and have a mental health concern.

Mental Health Professionals work as a team in a unique partnership with police officers who are specially trained in mental health.

Information is collected over the phone by a qualified health professional. If needed, the mobile team will assess the person in crisis in their community.

Ongoing telephone support and/or referral to appropriate follow-up services may be recommended to prevent further crisis.

COAST is not a rapid-response service.  
For life-threatening emergencies  
CALL 9-1-1.
